SPECIAL ZEBRA BLIND

Zebra blinds are innovative window coverings with alternating stripes of sheer and opaque fabric. They provide adjustable light control and privacy, allowing you to switch between sheer and solid panels. Zebra blinds add a modern and stylish look to your windows while offering practical functionality.

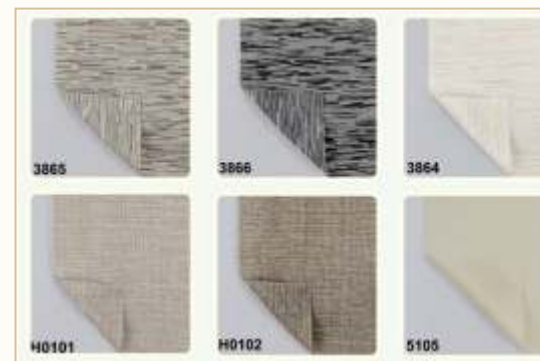

ZEBRA BLIND FABRIC

is the perfect combination of roller blind & venetian blind. The advantages are the elegant of soft fabric and easy to adjust the light of venetian blind. It's the light magician of window covering. Good quality is our top policy.
