BAMBOO. SEAGRASS. RATTAN. Water Hyacinth

CONTENT

BAMBOO

The bamboo tree has long been associated closely with Vietnamese people's life. It not only appears in Vietnam legend as a hero but also be used in real war.

RATTAN

100% natural rattan which is eco-friendly and durable. Hand woven from split rattan in a strong cube design.

SEAGRASS

100% Handcrafted. Seagrass is commonly used in furniture and handicrafts, and is woven like rattan. Each one of these hand woven seagrass are made with love and care

WATER HYACINTH

From durable water hyacinth – known for its natural texture and strength. The thin weaving pattern adds an elegant touch to the baskets while maintaining their sturdiness.

We specialize in the professional production of a diverse range of lampshades and baskets made from natural materials. The price provided serves as an initial reference only, and we have enclosed our catalog for your perusal.

WATER HYACINTH

Usage Of Water Hyacinth Storage Basket

Water hyacinth baskets can be used in various ways to add functionality and style to your living space. Here are some common uses for water hyacinth baskets:

Storage

You can use them to store toys, books, magazines, blankets, towels, or any other household items.

Home decor

Water hyacinth baskets, serving as decorative elements in your home, can be placed on shelves, side tables, or countertops to hold small decorative items like plants, candles, or trinkets. Furthermore, their natural, earthy tones seamlessly complement a range of interior styles, including bohemian, coastal, or rustic themes.

Laundry hampers

The durability and strength of water hyacinth make these baskets suitable for use as laundry hampers. Additionally, their spacious design allows for the storage of a significant amount of dirty clothes, ensuring a neat and organized laundry area.
